Word Clues

Write the spelling words that match these definitions.

- | | |
|--------------------|-----------------------------------|
| 8. middle distance | 12. above the speed of sound |
| 9. below ground | 13. road beneath a railroad |
| 10. beneath cover | 14. train beneath the ground |
| 11. below sea | 15. between one state and another |

16.-20. Knowing how to alphabetize easily will help you find words in a dictionary. When words have the same first letter, use the second letter. If the first two letters are the same, continue looking until you find the first letters that are different before you arrange the words in alphabetical order. Write these spelling words in alphabetical order.

superstar	interview	intramural
underneath	intrastate
